Créateur d'Instants

Tailor-made events inspired by French *elegance*

Our Story

Mondello Hospitality is the story of a family, of passion, and of traditions.

Our Story

Mondello Hospitality is an event agency founded in Cannes, operating across the French Riviera and in Paris.

We design bespoke events for both corporate and private clients, blending organizational excellence, creativity, and the art of hospitality.

Born from the Franco-Sicilian roots of the Dura Piraino family, it embodies over 15 years of expertise in fine dining and luxury hospitality, shaped by the demanding journey of its founders.

Our expertise has been honed in London, the United States, France, the Middle East, and Monaco, within some of the world's most iconic luxury establishments.

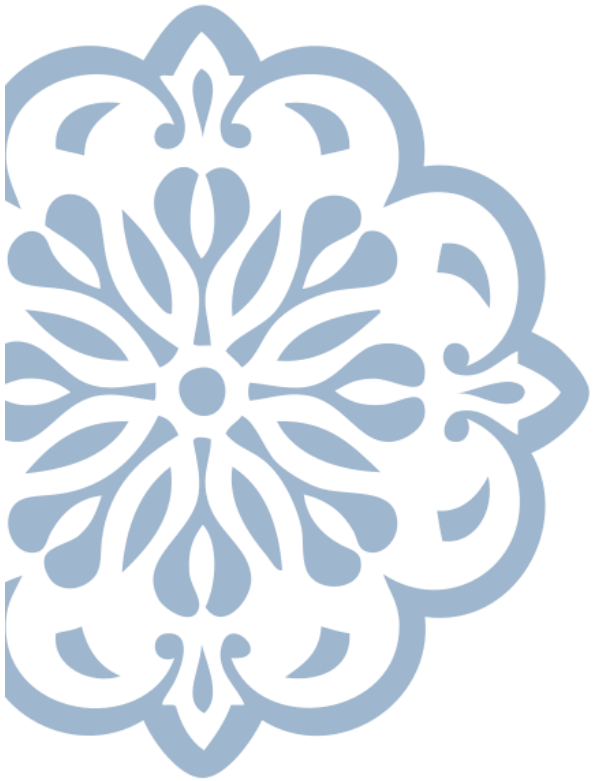
Our Story

The name Mondello comes from an old fishing village in Sicily, admired for its charm, natural hospitality, warm atmosphere, and generous cuisine.

This unique blend of Sicilian spirit and French savoir-faire defines our identity and lies at the very heart of everything we do:

- Refinement, excellence, and French expertise in organization
- Warmth, generosity, authenticity, and Sicilian conviviality in hospitality

Our Story



The Mondello symbol. A tribute to our roots, a seal of authenticity.

At the heart of our identity lies a maiolica. The emblem that crowns our logo is a unique creation, inspired by Sicilian maioliche — traditional hand-painted ceramics that adorn homes and tables in the South.

This geometric motif, both radiant and harmonious, evokes Mondello's Mediterranean roots. Beyond its origin, this stylized rosette symbolizes everything that drives us:

- Sicilian warmth in hospitality
- French refinement in execution
- The art of creating precious moments, in a perfect balance between tradition and modernity

Its circular shape, a symbol of cycle, harmony, and generosity, conveys the idea of boundless hospitality — like the Mediterranean table, always ready to welcome more guests.

This logo is not mere ornament. It is an imprint, a seal of authenticity, a tribute to our origins… and a promise: to transform every event into a moment of elegance, generosity, and soul.
